CONSIDER

Ordinance No. 10-002 to Prohibit the Sale of Beer and/or Wine between the Hours of 2:00 a.m. and 6:00 a.m. and the Consumption and Possession of Beer and/or Wine between the Hours of 2:30 a.m. and 6:00 a.m. in Commercial Establishments Licensed to Sell Beer and/or Wine for On Premise Consumption and to Restrict the Hours of Operation of Those Establishments.

City Manager Barrineau introduced a revised version of Ordinance No. 10-002 to City Council that was proposed at their work session. Because State Law mandates that all liquors are not to be sold after 2:00 a.m., the language in this ordinance is worded for beer and wine. This ordinance also adds an extra 30 minutes for the consumption and possession of beer and wine.

Discussion among Council included questions about the extra 30 minute window to allow business owners to clear the premises. The staff (that may consist of the owner(s), employees, and band) can stay as long as they want.

One way that City Police Officers can determine if businesses are complying is by the empty parking lots at 2:30 a.m. The penalty for not complying is a fine not to exceed \$1,000 or 30 days in jail for the first offense.

Motion to approve Ordinance No. 10-002 was made by Johnny Williams, seconded by Teresa Klauber.

Those who voted in favor were Mayor D. Welborn Adams, Niki Hutto, Linda Edwards, Teresa Klauber, Johnny Williams, and Barbara Turnburke. Betty Boles abstained from voting because she didn't agree with the City of Greenwood mandating when a business should close.
