Chrysogonum virginianum
'Allen Bush'*
Trailing Rosemary
Verbena 'Homestead Purple'*
Sedum 'Lemon Ball'
Sedum ternatum*
Sedum tetractinum
Erigeron karvinskianus

ANNUALS RARELY BROWSED

Ammi majus
Polygonum orientale
Gomphrena
Melampodium
Salvia farinacea 'Evolution'
Salvia coccinea
Cleome
Marigolds 'Crackerjack'
Zinnias 'Gift'

SOME SAMPLES OF REPELLENTS FOR PERENNIALS THAT ARE BROWSED IN EARLY SPRING WHEN NEW GROWTH APPEARS OR FOR PLANTS NOT RESISTANT TO DEER

Bobbex (rotten egg smell)
Liquid Fence (rotten egg smell)
Deer Out (peppermint)

Alternate between several brands so the deer don't get accustomed to one. Read instructions carefully and apply as directed.
